

Privacy Rules

Crocon d.o.o., Čikovići 73b from Kastav, identification number 84222039897 (hereinafter referred to as: “**Crocon**”) cares about your privacy and the protection of your personal data as a responsible company. For that purpose, we have adopted these Privacy Rules in order to inform you about how we collect and process personal data.

Use of the website www.crocon.hr

Crocon is the owner of the www.crocon.hr website. During your visit, we automatically collect certain data and statistical information via our Internet servers or “cookies”. Examples of the information on your website use include: the most visited and most viewed pages and links on our website, time spent on our website, the most popular keywords leading users to our website, your IP address, the information collected in cookies, information about your device, such as hardware settings, system activities, browser type, etc. The purpose of such processing is to enable us to edit our website in order to maximise its efficacy and simplicity for our visitors, i.e. so that it is tailor-made to you.

Our website may contain links to other websites not managed by Crocon and for which Crocon is not liable. We suggest you review the personal data protection rules applying to those websites in order to familiarise yourself with how your personal data is collected and processed.

Use of Cookies

WHAT IS A COOKIE?

A cookie is a small text file that a website stores on your computer or any other device, with the information about your navigation on that website. Cookies are needed in order to facilitate browsing and tailor it to the user, and do not harm your computer.

Even though the general term “cookies” is used in these Rules because they are the main method of data storage used by this website, the browser’s “local storage” is also used for the same purpose as cookies. All information in this section also applies to “local storage”.

WHY ARE COOKIES USED ON THIS WEBSITE?

Cookies are necessary for the operation of our website. The main purpose of our cookies is to improve your browsing experience. For example, they are used to store your personal preferences (i.e. country) while you are browsing the website and for future visits. The information collected by cookies also enable us to improve the website by estimating the quantity and patterns of use, appropriateness of the website for the needs of individual users, faster searches, etc. Sometimes, if we have obtained your prior consent, we may use cookies, labels and similar tools to obtain the information enabling us to show you, either on our own website or third-party websites or in any other manner, advertisements based on the analysis of your website browsing habits.

WHO USES THE INFORMATION STORED IN COOKIES?

The information stored in cookies is used exclusively by Crocon, except by those described below as “third-party cookies”, which are used and managed by external legal entities in order to provide the services we request so that we can improve our services and user experience when browsing our website. Such “third-party cookies” are mostly used in order to obtain access statistics.

HOW TO DISABLE OR PREVENT THE USE OF COOKIES?

You can restrict, block or delete cookies from this website at any moment by changing the configuration of your browser by following the steps outlined below. Even though the preferences may be different in each browser, cookies are usually configured in the “Personal Preferences” or “Tools” menus. For further details on cookie configuration in your browser, please see the “Help” menu in the browser itself.

How and with whom do we share your personal data?

We may share your personal data with the national authorities at their request and with third parties that provide personal data processing services as data processors. Those service providers, in accordance with the regulated contractual relationships for the purpose of personal data protection, are required to use personal data entrusted to them exclusively in accordance with our guidelines and strictly for the contracted purpose.

Confidentiality and access to data

The company Crocon d.o.o. hereby undertakes, pursuant to **Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data (“the Regulation”)**, to protect the confidentiality of all data it has rights and access to, and that we will use personal data exclusively for the clearly specified (prescribed) purpose.

Confidentiality of data

We wish to clearly state that, during your visit to our website, your personal data will remain secret, unless you wish to disclose it yourself. We undertake not to reveal, sell or transfer the data that we receive to third parties (except in cases provided for by the Regulation).

Changes to our Privacy Rules

In case of changes to our Privacy Policy, we will notify you thereof on this website.
